

Heavy-duty TAG Tents

Versatile solution for military and civilian uses alike

Our TAG tents are **ready for use in just minutes** and can be connected in all configurations.

Easy to deploy on all terrains, our TAG tents are ideal for mobile hospitals, command posts, emergency shelters and field camps. Their **heavy-duty design and high compatibility** ensure optimal operational conditions in emergency situations. Fully water-proof, our TAG NG tents are made using HF welded PVC-coated material and are provided with a transport bag for easy handling. Inflated in a few minutes with just two to four people, they can be connected to one another in various configurations thanks to their **modular design**.
