— STRAIGHTFORWARDNESS MEETS ELEGANCE

Special deal: Cyclone

Due to the architecturally sophisticated shape of the building, this mobile space solution stands out at any event. Its clear line, side heights of 2.70m and unique roof design makes the Cyclone a breath of fresh air in the event structures industry.

LOSBERGER DE BOER

Only valid until 30.06.2023

Cyclone

Perfect for

- Live communications
- Catering
- Hospitality

Straightforwardness meets elegance. Our Cyclone is a modern-to-the-point-offuturistic transparent structure with a striking appearance that is yet highly multifunctional.

The Cyclone is sure to stand out

Combine your Cyclone mono and create individual tent landscapes. Create new shapes: as duo, esquina or as a complete funnel version quatro. Give your event an elegance with modern shapes and an originality with individual design possibilities. The Losberger De Boer Cyclone will make your event stand out!
